

S1 LITE J6412

S1 Lite, a classic compact design, is perfect to be applied in various business scenarios. 11.6 inch or 13.3 inch HD displays can be chosen. All-in-one design, with integrated barcode scanner, and NFC/MSR card reader. Multiple interfaces, which can match various external devices, meet different store requirements. Making a different checkout desk is affordable but practical.

High Resolution Display
