SE215X / SE240X

The Self Ordering Kiosk Factory KIOSK-X features a sleek, elegant design with a silver frame and a full reinforced glass panel, making it an ideal choice for self-order payment solutions. It supports Android, Windows, and Linux OS and offers versatile installation options (floor-standing, countertop, or wall-mounted). The modular design ensures easy serviceability, and it includes options for a built-in 80mm printer, QR code scanner, web camera, and RFID card reader.
