

Q804S

The QubePos Q804S simple and easy-to-use receipt printer will help you easily optimize your workflow, save time, and reduce maintenance costs. The Q804S is based on thermal printing technology, so there is no need for ink cartridges or toners. The typist supports a ribbon width of up to 80 mm. It prints receipts at a speed of 260 mm/s and is equipped with an automatic cutter. The Q804S is connected to a PC via USB, RS-232, or LAN.

Direct Thermal

80mm Paper Diameter

Speed 260mm/s
